

SUPERLOCK DIGITAL

WITH LEVER HANDLES

Stylish combination gate lock
with easy to use handles

GATEMASTER

BETTER ENGINEERING SOLUTIONS FOR
GATE SAFETY AND SECURITY

Available as single or double sided

The Lever Handle Superlock combines security features with sleek design, offering a seamless blend of functionality and aesthetics that sets the standards for both residential and commercial spaces.

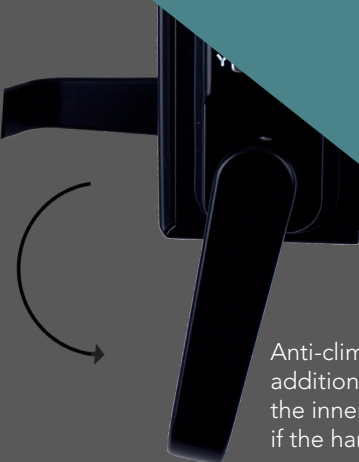

No power needed

Made of stainless steel for ultimate outdoor durability

Easy to install - simply drill 3 holes and bolt on

Anti-climb handles for additional security and protects the inner mechanisms of the lock if the handle is forced.
