25
YEAR
GUARANTEE

Are you looking for a modern and contemporary quality gate that will last a lifetime? A La Toulousaine aluminium gate is the perfect choice.

The new Access, aluminium gates from stock range is a cost effective option for those looking to upgrade their home whilst providing a high quality finish.

- 60 years of manufacturing knowledge and experience with La Toulousaine.
- Europe's largest supplier of aluminium gates.
- 25 Year warranty on all La Toulousaine aluminium gates.
- 8 different designs available in the Access range.
- Finished in standard textured finish.
- Low maintenance corrosion resistant material with no warping or rotting.
- Strong durable aluminium material, providing a lightweight option.
- Patented frame assembly, using MecaClav technology to provide a perfectly rigid frame.
- All aluminium gates can be automated with no alteration to the finished look.
- Available as both swing and sliding gate.
- Matching fencing available.
- 100% recyclable materials.
