## NEW COLOURS PRIME7

The architectural style panel is synonymous with AES products, highly recognisable by its unique shape and backlighting there can be no mistaken identity. All panels have vibrant white LED backlighting and keypad.

### PRIME7-ABZK-EU

Marine Grade powder coated stainless steel panel finished in Racing Bronze. Featuring strong colour tones of vibrant Bronze & Gold which differ in changing lighting conditions

### PRIME7-ALGK-EU

Marine Grade powder coated stainless steel panel finished in Mouse Grey. A cool modern colour gaining in popularity in recent times & suits all modern home exteriors.

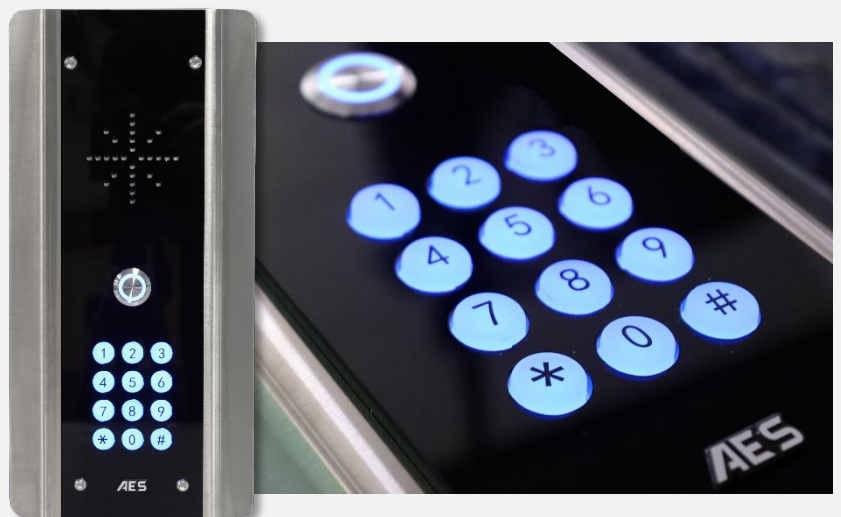

### PRIME7-AAK-EU

Marine Grade powder coated stainless steel panel finished in Anthracite Grey. A darker alternative for the more minimalist modern home, provoking a professional clean look to your property exterior. Anthracite is currently the most popular gate & fence colour used in modern gate and fence design.

## NEW KEYPAD

### PRIME7-ABRK-EU

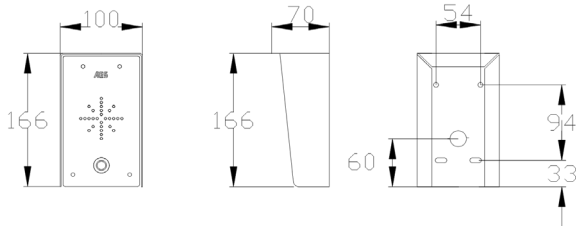

Our Stylish curved architectural panel is now available with a rubber keypad.
